With Home Internet service, your children will gain access to many resources online to do well in school. In addition, you can apply for jobs quickly and easily, and get online access to public services, housing, healthcare and the DMV.

There are two ways that you can sign-up for an affordable Home Internet plan:

- (1) Call the company phone number listed below. The company phone numbers are only for affordable offers **or**
- (2) Call this Toll-Free number, **844-841-INFO (4636)**, to find out if you pre-qualify for an affordable Home Internet offer. When you call the Toll-Free number a representative will determine if you pre-qualify. If you qualify a specialist will then call you back to help you choose an offer, some offers even include a free Chromebook laptop, while supplies last!

Internet Service Providers		Cost / Speed	Call for Low Rates
	<b>Access</b> <ul style="list-style-type: none"> <li>✓ No deposit, contract, &amp; installation cost</li> <li>✓ Large data allowance</li> <li>✓ Wi-Fi router included</li> <li>✓ Credit Check</li> </ul>	\$10 / month (10 Mbps)	<b>855-220-5211</b> <i>(English)</i> <b>855-220-5225</b> <i>(Spanish)</i>
	<b>Fundamental Internet</b> <ul style="list-style-type: none"> <li>✓ No contract, or data cap</li> <li>✓ Free computer if first time Internet Service subscriber</li> <li>✓ WiFi router is an additional \$5/ month</li> </ul>	\$15 / month (12 Mbps DSL or 50 Mbps FIOS)	<b>855-970-1449</b> <i>(English)</i> <b>844-359-3941</b> <i>(Spanish)</i>
	<b>Mobile Citizen</b> <ul style="list-style-type: none"> <li>✓ No deposit, contract, installation cost, data cap &amp; social security number</li> <li>✓ Hotspot is portable</li> </ul>	\$15 / month (8-18 Mbps)	<b>888-519-4724</b> <i>(English &amp; Spanish)</i>
