Candidates must be a minimum of 21 years old, pass a background check, and provide evidence of a high school diploma or equivalent. Preference will be extended to qualified members of the tribe for open positions on the commission.

- At least one Commissioner shall have an Associate's Degree in accounting and at least three years' experience in a related field or five years of accounting or related experience may be used in lieu of an Associate's Degree as determined by the Gaming Commission.
- At least one Commissioner shall have at least five (5) years management or regulatory experience within the private sector, a gaming facility or a governmental agency.

Commissioners are not classified as employees and, as such, do not receive a salary for their service. Individuals who are interested in becoming a member of the Commission must take the initiative to submit a comprehensive Statement of Interest to the Torres Martinez Gaming Commission (TMGC). This statement should clearly outline the applicant's qualifications, relevant experience, and specific interest in serving on the Commission.

The Statement of Interest must be submitted to the Chairwoman of the Gaming Commission, Mrs. Mary Resvaloso, and sent to the above address. It is crucial for interested individuals to ensure that their submissions are thorough and articulate, as this document serves as a key component of the selection process.

For those who have questions or require further information regarding the position of Commission Member, they are encouraged to reach out to Mr. Al Loya. He can be contacted via email at Aloya@torresmartinez.org, where he will be able to provide assistance and address any inquiries.

It is essential to highlight that the deadline for submitting a Statement of Interest for these vacancies is set for November 24, 2024. No exceptions will be made to this deadline, so interested candidates must ensure that their applications are submitted in a timely manner to be considered for these opportunities.
